## Image Uploading into CCC flickr Group Discussion

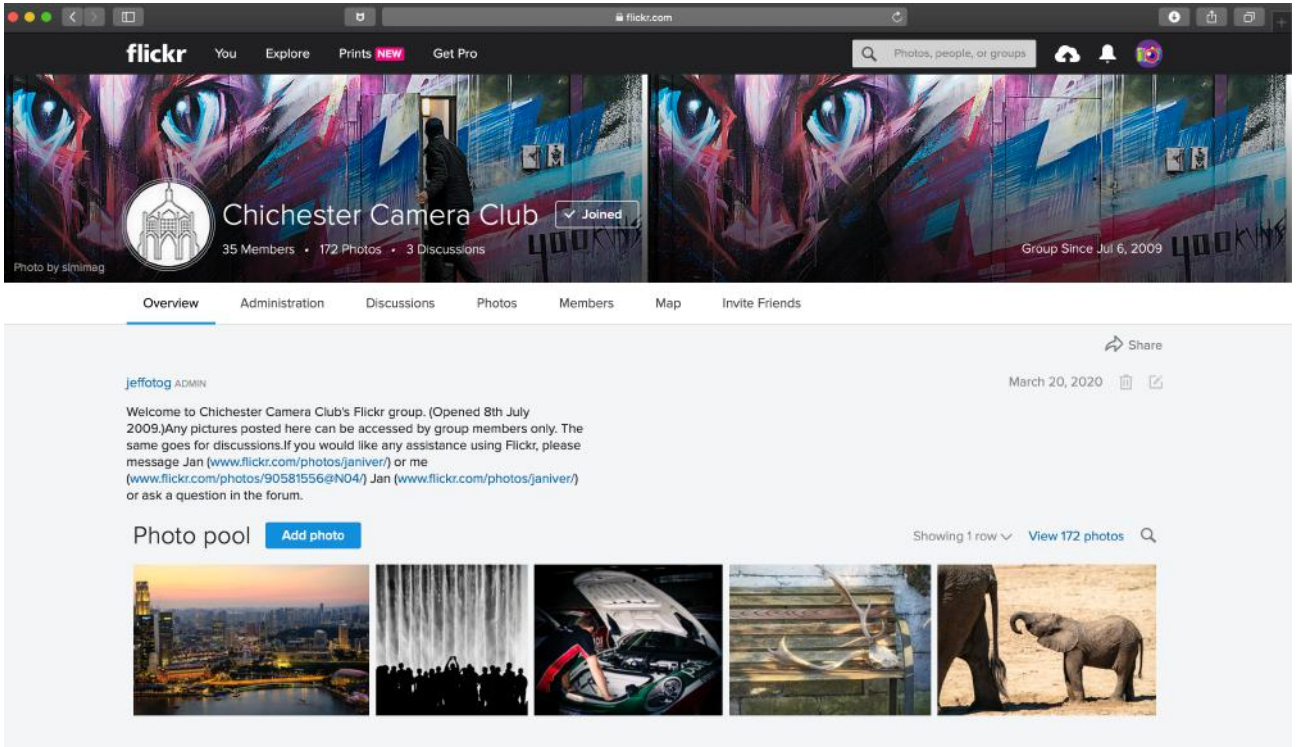

Chichester Camera Club's Group site has a Discussion section.

Some discussions may invite the sharing of images (inform exhibitions, friendly competitions, opportunities for feedback, etc....)

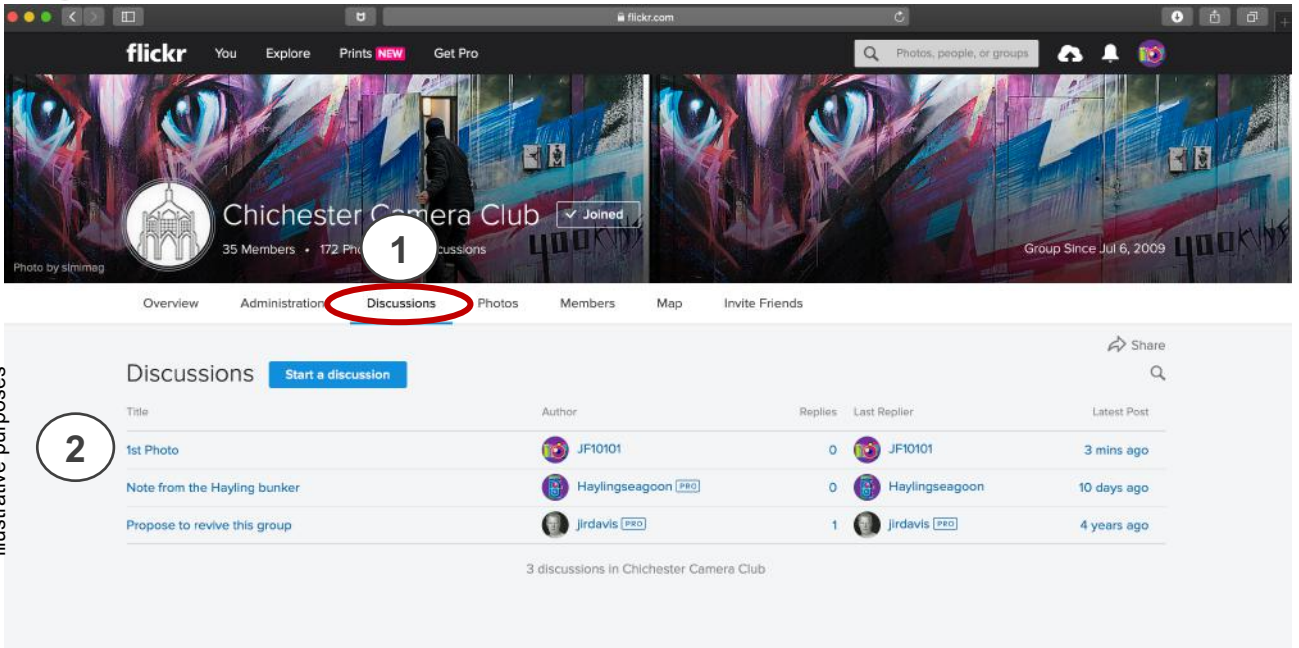

This is a brief, easy guide to how to upload your image into a Discussion page.

# Starting point

Go to the Chichester Camera Club Flickr Group page.  
(Access is restricted to CCC Flickr Group members only)

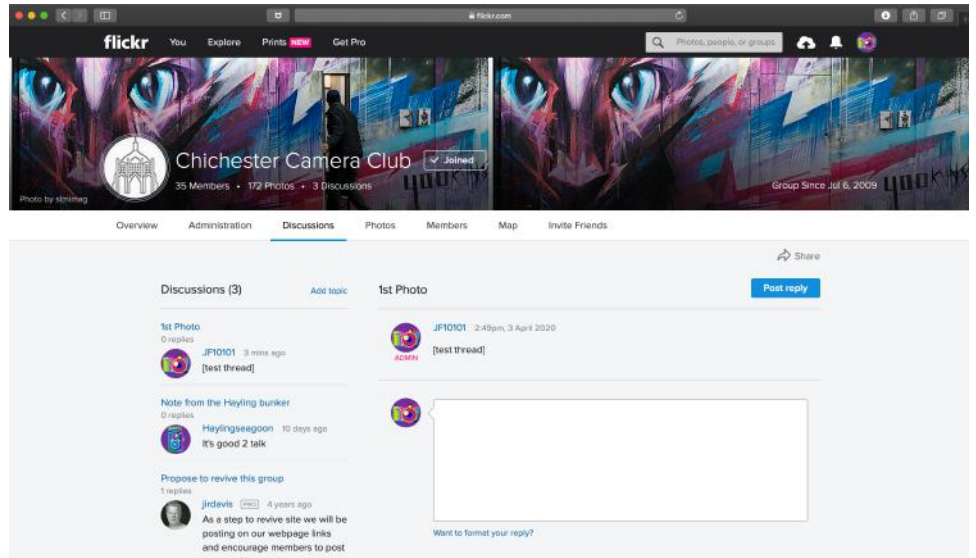

- 1 Click the Discussions link
- 2 Click the Discussion thread in which you want to participate

example only for illustrative purposes

# Key Locations

Once you have opened the discussion thread, you will upload your image into the white empty box (– the same box in which you can type in comments)

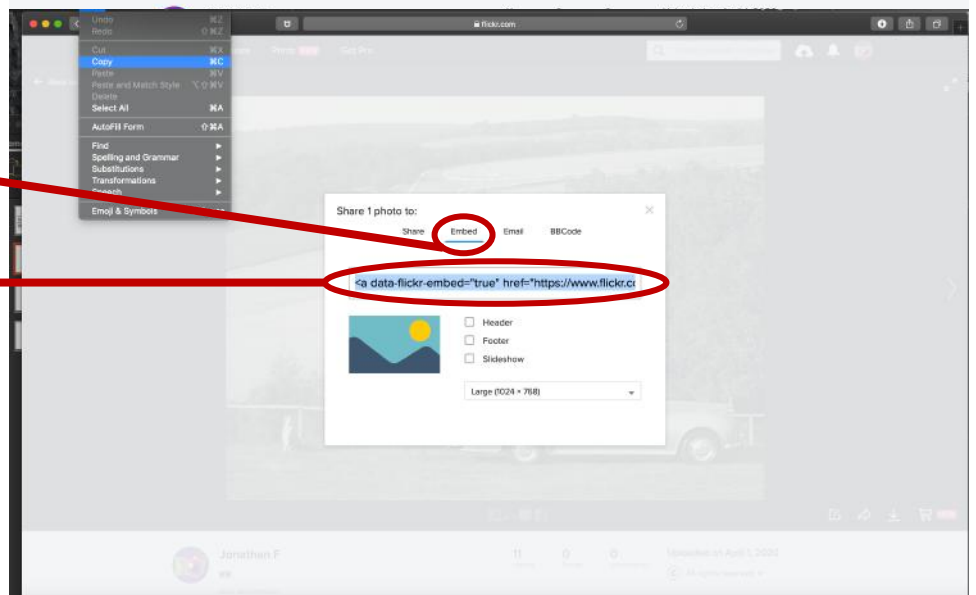

Return to your own flickr site; go to the image you want to upload into the CCC discussion thread.

Click the arrow down on the bottom right below the image

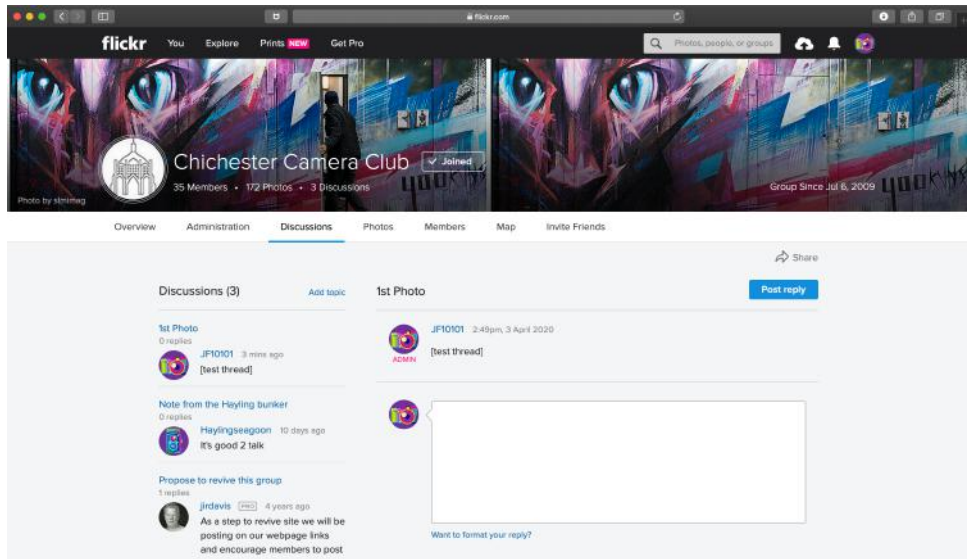

Click the “embed” option

Copy the text that appears in the box

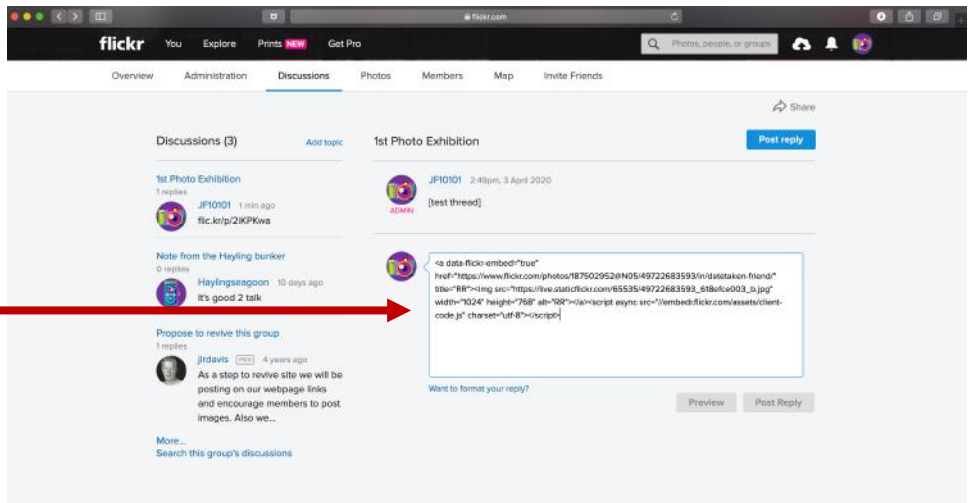

# Image Uploading

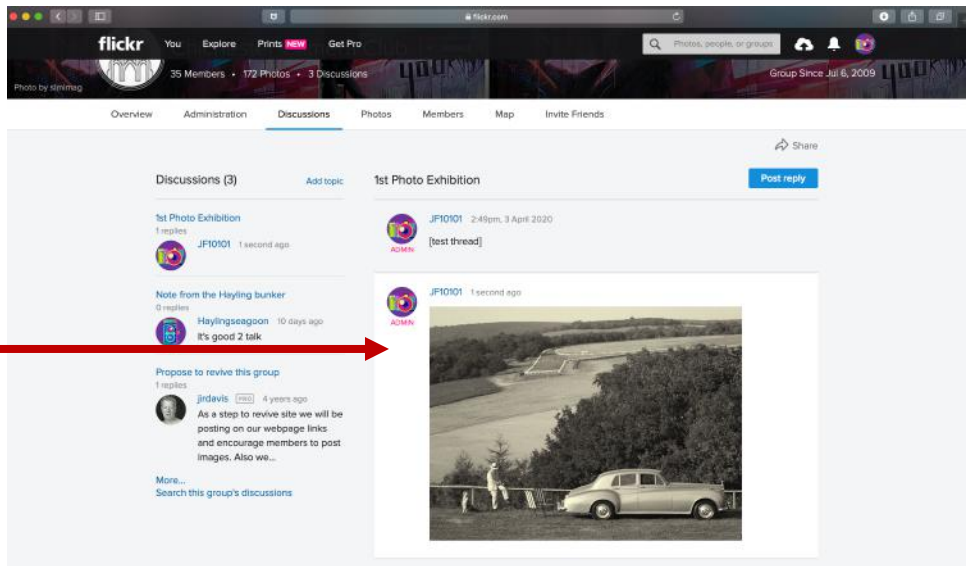

Go back to the CCC Discussion page

Paste the copied text. Click spacebar, then press Post

RESULT: image is successfully entered into the Discussion page.

If you have any questions or need any assistance, feel free to ask one of the CCC Group administrators.
